Making disciples who...

GO

LIVE
as God's kids

Overview

At Blue Ash Community Church, discipleship is a lifelong commitment that begins when you become a Christ follower. Your discipleship journey is one that we take with you, guiding you to become more Christ-like, by learning, engaging, and helping others.

The BACC Discipleship Pathway focuses on the 4 C's: Community, Congregation, Committed, and Core. Here is how the journey works...

We identify 5 characteristics of a Blue Ash Disciple, which are:

- Build Meaningful Relationships
